

Curtis Lee Putman has outpoured his love for music in the latest track 'Tall in the Saddle'

Experience the awesomeness of famous artist Curtis Lee Putman's vocal delivery and awesome instrumental work in his latest track 'Tall in the Saddle (When I ride)'.

Schoolcraft, Dec 31, 1969 ([IssueWire.com](http://www.IssueWire.com)) - Great instrumental work and genuine musicianship are what we get to experience in the track 'Tall in the Saddle (When I ride)' by the prominent musician [Curtis Lee Putman](#). It is a genuine pleasure to stumble upon such an awesome track. The hook will certainly run through your mind for quite a long time after listening. The

superb musician has brought the best of this musical genre through a concept that grasps the attention of the listeners. The musical arrangement, the mellow groove, and the overall development have taken the entire project to such a huge level that it would be hard for any other artist to match up to this awesomeness. And, it is absolutely no surprise that this song is rocking the international charts.

Born and brought up in Kalamazoo, **Curtis** was introduced to music at a very young age of 12. But, the first musical impression cast on his mind was when he heard a cassette tape of Hank Williams Sr.'s 'Lost Highway'. After successfully crossing the tough hurdles of his life, he finally found peace in singing and songwriting. He doesn't like to confine himself by a certain musical genre. His love for music is universal. This dynamic performer can grab the attention of anyone with his music, either its two people or two thousand. His shows aren't performances, these are parties.

His relentless efforts have elevated him to 54th in the USA and 56th globally on the ReverbNation country charts. And, his latest release '[Tall in the Saddle](#)' **carries forward his musical legacy, as it has reached the 21st spot on the USA and 28th globally on Reverb Nation Charts. Curtis'** performance is the main factor behind the huge success of this track. His voice appears with power and authenticity.
