

# London Backpackers - A New Genuine Budget Hostel in the Heart of London

**London, England Nov 12, 2021 ([IssueWire.com](https://www.issuewire.com))** - London is a major global city, attracting young visitors from all over the world. Despite being a fantastic place to visit, it isn't cheap, which can make it hard for students on a budget. We provide the answer, with affordable quality accommodation at the London Backpackers [youth hostel in Hendon](#).

We've been doing this for more than 30 years, but our accommodation was refreshed and refurbished in 2019. Young travellers seeking a fun, clean, comfortable place to stay in the company of fellow travellers from around the world will find a place to eat, sleep, relax and socialize in the heart of the UK capital.

## All the Facilities You Need

It's not just about a place to sleep. Our hostels offer [facilities](#) such as free internet access, free linens, and blankets, a place to store food, free TV, and laundry. Throw in sightseeing literature and you have everything a young traveller needs, and because we know travel plans can change in an instant, we offer direct [online room booking](#) at the guaranteed lowest price.

## Location, Location, Location

We're situated just 15 minutes away from Camden Town on the Northern Line, and the fact that Hendon Central Underground station is right next door means we're easily accessible from all [major airports](#) and provide the perfect base from which to explore the city. Wembley Arena, Buckingham Palace, Portobello Road....name a [London attraction](#) and it's just a quick bus or tube train journey away. Our staff will help with travel plans and other details, leaving travellers free to relax and enjoy their stay.
