

Lynn Spicer, RN, Registered Nurse with Saint Joseph Hospital

Get to know Registered Nurse, Lynn Spicer, who serves patients in Denver, Colorado.

New York City, Sep 10, 2019 (Issuewire.com) - Lynn is a registered nurse who is currently serving patients at Saint Joseph Hospital in Denver, Colorado. Saint Joseph Hospital was founded in Denver in 1873 by the Sisters of Charity of Leavenworth as the first private teaching hospital in Colorado. Today, it remains the largest private teaching hospital in Denver. As part of SCL Health, Saint Joseph Hospital provides a tradition of healthcare that includes compassionate caregivers, stellar clinical expertise, and active clinical partnerships with Kaiser Permanente, National Jewish Health, and community physicians.

Lynn earned her Associate's Degree in Nursing from Malcolm X College. Malcolm X College, one of the City Colleges of Chicago, is a two-year college located on the Near West Side of Chicago, Illinois. Additionally, Lynn also holds a Bachelor of Science in Nursing degree from the University of Phoenix. Lynn attributes her success to her wonderful patients.

A registered nurse (RN) is a nurse who has graduated from a nursing program and met the requirements outlined by a country, state, province or similar licensing body to obtain a nursing license. RNs fulfill a variety of job duties. In addition to their primary role of treating and caring for patients, their responsibilities also include educating patients and the public about a variety of medical conditions, as well as providing emotional support and advice to the families of their patients. Other RN job functions include performing diagnostic tests and analyzing results, operating medical equipment, administering medications, recording patients' symptoms and medical histories, as well as assisting with patient rehabilitation and follow-up.
