

## **Mounir Y. Borno, MD, a Cardiologist with Lubbock Heart & Surgical Hospital/Cardiologists of Lubbock**

Get to know Cardiologist Dr. Mounir Y. Borno, who serves patients in Lubbock, Texas.

**New York City, Sep 17, 2019 ([IssueWire.com](http://www.IssueWire.com))** - Dr. Borno is a board-certified cardiologist who is currently serving patients at Lubbock Heart & Surgical Hospital in Lubbock, Texas. Lubbock Heart & Surgical Hospital has been improving the healthcare experience in the South Plains since 2003. “We invest in our people because they’re our biggest asset. A happier, more experienced staff means your provider can focus more on you. We deliver a better patient experience by equipping our teams for success” as stated on the hospital’s website.

Dr. Borno is also affiliated with Cardiologists of Lubbock - a medical group consisting of a team of heart specialists. From screening to diagnostics; and from heart-health education to maintenance and cardiac-Cath procedures – Cardiologists of Lubbock is the experienced team each patient deserves. Dr. Borno has been a part of Cardiologists of Lubbock since July 1, 1996.

Dr. Borno currently serves as an Assistant Clinical Professor in the Department of Internal Medicine at the Texas Tech University School of Medicine. Dr. Borno is board-certified in cardiovascular disease by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Dr. Borno is a member of the American Medical Association, the Oklahoma Medical Association, the American College of Cardiology, the Texas Medical Association, and the Lubbock-Crosby-Garza County Medical Society. Dr. Borno earned his medical degree from Cairo University - Faculty of Medicine in Cairo, Egypt in 1983. Upon relocating to the United States, he went on to complete his residency in internal medicine at the University of North Dakota Affiliated Hospitals, followed by his fellowship in cardiovascular disease at the University of Oklahoma Health Sciences Center. In addition to English, Dr. Borno speaks Arabic.

Cardiology is a branch of medicine that deals with the disorders of the heart, as well as some parts of the circulatory system. The field includes medical diagnosis and treatment of congenital heart defects, coronary artery disease, heart failure, valvular heart disease, and electrophysiology. As a cardiologist, Dr. Borno specializes in diagnosing and treating diseases of the cardiovascular system.
