

Organic Needs Announces Rebrand to Organic Cart

The new brand reinforces the company's products will remain unique in the marketplace.

ORGANIC CART

Ghaziabad, Sep 4, 2019 ([Issuewire.com](http://www.Issuewire.com)) - **Organic Needs** a leading organisation in the field of FMCG with customers across India announced the business rebrand to "**ORGANIC CART**". The comprehensive **rebrand** elevates the focus on reaching people in every corner of the market and also reaching out to retails and store chains and includes a new logo and a website.

Organic Cart will be devoted to develop and add a platform for retailer and end consumer and make

the entire process from placing the order to feedback a great experience for everyone.

About Organic Cart: Organic Cart is committed to deliver premium and organic food products to our customers. We have a mission to establish trust with our esteemed customers and help them living a healthy lifestyle. For more information please visit our website www.organiccart.co.in
