

## Raine Magazine: Launches a new membership component. Introducing The Raine Circle.

RAINE  
MAGAZINE

**New York City, Sep 18, 2019 ([Issuewire.com](http://Issuewire.com))** - Raine Magazine is a woman lead publication that highlights the new and rising trends within fashion, culture, and technology. [Nova Lorraine](#), Founder, Editor and Chief of Raine Magazine launched this publication in 2007. As a female Entrepreneur, Nova noticed that there was a need within print media to support other female entrepreneurs and creatives who are looking to make an impact on creative and technology-driven industries. Ever since the first

issue was released Raine Magazine has focused on providing a media platform for up and coming individuals from a variety of creative industries, featuring them as prominent Entrepreneurs.

From the beginning, Raine Magazine focused on authentic visual and written storytelling, uncovering the hidden gems. Raine Magazine as a publication has led the charge in supporting the next big names in fashion, culture, and technology. Raine Magazine's goal is to inspire, educate and empower creatives around the globe.

The team at Raine Magazine is proud to announce the launch of The Raine Circle. This is a new Membership opportunity that will support Raine's readers in gaining access to exclusive Raine Magazine content as well as events, exclusive travel savings and complementary content that supports Entrepreneur life! The Raine Circle offers a special opportunity that has been curated to enhance the life of today's Modern Entrepreneur. A place to build your network while supporting the mind, body and creative spirit. The Raine Magazine team invites you to learn more about [The Raine Circle](#).
