

Rob Shiner Highlights His Vocal Brilliance Through His Musical Artwork in ‘Searching’

South Dakota music artist Rob Shiner stylishly blends elements in his latest track ‘Searching’ that sonically creates a charming world to get lost into.

Spearfish, Dec 31, 1969 ([IssueWire.com](http://www.IssueWire.com)) - **Rob Shiner** offers a joyful blast of musicality in his refreshing new track that emerges with the artists compelling and coherent voice. Particularly impressive is the music that requires a lot of dedication to be built so beautifully but the **South Dakota music artist** doe a fantastic musical work by giving the song an enticing hook. The artist has

successfully balanced both the production style and a heartfelt, softly soulful brand of songwriting. Golden voiced, **Rob Shiner** gives a fine polish to the lyrics with his heart touching voice that perfectly works for the song.

The song '[Searching](#)' beautifully underlines the mood and the artist gives an impeccable vocal performance that results in a smooth and spotless production. The track crafts its own standards and has been skillfully composed under his label Ak 19 Entertainment which hosts several other expressive tracks under its hood. The artist gains all the attention for writing quality songs and offering magical tunes to them. Fully entrancing and groovy, the track stands out for its dreamlike array of synths and some engaging musical beats that flow consistently to connect with the pace. **Rob Shiner** shows his passionate side and really does a beautiful work that is sure to dominate the other rom-com soundtracks.

There's modesty in the artist's music that offers moments of eye-opening wonder. The [South Dakota music artist](#) makes a grand show of emotions with his songwriting that effectively goes on to become a pleasurable listen. A superb vocalist and an equally talented lyricist, **Rob Shiner** embraces the subject matter with deep emotion which is well evident in his poetic expressions throughout the song. Filled with hooky edges, the song is something special that deserves to be heard more than once. Listen to the track on Soundcloud and YouTube and follow the artist on [Facebook](#), [Instagram](#), and [Twitter](#) for more updates.
