**Minneapolis, Dec 31, 1969 ([Issuewire.com](http://Issuewire.com))** - Roger has dished out the most brilliant song in 'Money' that has mesmerized the audience to the hilt. the singer started his musical journey at a very early age and is only 21 years old. He is very much fond of partying and wishes to make a lot of friends. He does not own a production house and does not feel the need to have any. His songs give him a lot of high and he wants to have a lot of fun and frolic. His songs are influenced by musicians

like Drake, Mac Miller, and Wiz Khalifa who has been a great inspiration. The musician is busy working on three other songs. To keep a track of the singer and know more about him, you can visit his profile on Instagram. You can also visit major trending platforms like Soundcloud to listen to his songs.

[Roger](#) is a sensational singer who has come up with his splendid song '[Money](#)'. The song has got high-intensity vibes in the backdrop of heavy electronic. There is an element of fusion in the song that has been impressively crafted. There is a mumble in the rap which lends the organic feel to the song. The song is very classic and yet very cool at the same time. The vocal style of delivery in the song is quite brilliant and has got the dashes of reality.

In the song '**Money**' by **Roger**, there is a touch of soft funk in the song which lends the carefree fervor. This will make swagger down the high streets in a carefree manner. The song has got the flickers of instrumentation with a bounce of pop. There is a jazz cafe like bounce that is profoundly uplifting. The groove of the song is very addictive which engages the audience notably. The performance is quite stunning.
