He is very professional and he spent enough time explaining to me what, why and how things could be done until I thoroughly understood it. He put in two crowns for me and I was in and out in no time. I couldn’t be more pleased with his work and I experienced absolutely no pain! I felt more comfortable than I have in years on the side where he put the two crowns. His bedside manner is knowledgeable, professional, comforting, warm and friendly. He explains everything he’s doing as he goes along. He made it easy and comfortable. I can’t recommend him enough. Overall, it was just a great experience.”
