

## **Stanley P. Reddy, MD, Psychiatrist with South Nassau Communities Hospital**

Get to know Psychiatrist Dr. Stanley P. Reddy, who serves patients in Oceanside, New York.

**New York City, Sep 4, 2019 (IssueWire.com)** - Dr Reddy is a highly-regarded psychiatrist who lends his comprehensive set of skills, expertise, and knowledge to serve patients as Department Chairman of Psychiatry & Behavioral Health at South Nassau Communities Hospital. South Nassau Communities Hospital is an award-winning, 455-bed, acute care, not-for-profit teaching hospital located in Oceanside, New York. The mission of the teaching hospital is to provide quality, comprehensive and easily accessible health care services to all residents of the South Shore communities in a manner that reflects a culture of excellence; personalized, culturally competent care; and innovation.

Dr Reddy has been practising in the field of psychiatry for more than 4 decades. He is recognized as an expert in all facets of general psychiatry and is well reputed in geriatric psychiatry. Furthermore, he is a Promoter of Vista Pharmaceuticals Ltd, of which he served as executive director and non-executive director.

Dr Reddy received his medical degree from Kurnool Medical College in Kurnool, Andhra Pradesh, India. He entered private practice soon after he completed his residency at Icahn School of Medicine at Mount Sinai in Elmhurst, New York.

A highly trained and qualified psychiatrist, Dr Reddy earned board certification in psychiatry, addiction psychiatry, psychosomatic medicine, and forensic psychiatry from the American Board of Psychiatry and Neurology (ABPN). The ABPN is a not-for-profit corporation dedicated to serving the public interest and the professions of psychiatry and neurology by promoting excellence in practice through certification and maintenance of certification processes.

Dr Reddy is a member of the advisory council of the North American Telugu Association.

Psychiatry is the medical specialty devoted to the diagnosis, prevention, and treatment of mental disorders. These include various maladaptations related to mood, behaviour, cognition, and perceptions. As a psychiatrist, Dr. Reddy diagnoses and then treats a wide range of conditions, including bipolar disorder, schizophrenia, and depressive disorders. In addition to attending to his patients' mental health needs, he mentors new and inexperienced practitioners.
