

Autobiography of an Extraordinary Man Who Lived an Extraordinary Life

The life of a fighter pilot, teacher, coach, high school principal, and family man

CARL M. ROBINSON

FINDING THE CLOUDS
AND A LIFE

Pittsburg, Oct 16, 2019 (IssueWire.com) - In his book, [*Finding the Clouds and a Life*](#), Carl M. Robinson recalls the nostalgic details of a life well-lived. He starts the adventurous storytelling from his high school years and then on to college at the University of Nevada where he earns a bachelor's degree by way of a football scholarship. He also recalls his adventures upon enlisting in the U.S. Air Force and becoming a fighter pilot. In the book, he goes into detail about his experience during the last mission of Operation Castle, which was a series of thermonuclear tests done on the Bikini Atoll, the Marshall Islands that started in 1954.

Now a U.S. Air Force veteran, Carl also narrates his life as a husband, father to five beautiful children, teacher, coach, high school principal, and member of the Saint Catherine's Episcopal Church.

Carl's work will be exhibited at the Ottawa Book Expo to be held at the Horticulture Building in Lansdowne Park, Ottawa, Ontario, on the 20th of October, 2019 from 10 a.m. to 5 p.m. at the Authors Press booth number AZ01. To get the latest update on authors, like and follow Authors Press on Facebook, Instagram, and Twitter.
