

Florida Men: The Official Podcast of Florida Man Celebrates Its 100th Episode

Fort Myers, Oct 4, 2019 ([IssueWire.com](http://www.IssueWire.com)) - The Podcast announced its 100th episode will be released on Friday, October 18th, 2019. The Southwest Florida-based audio program began in May, 2018 and has released a new episode every week since their launch.

Florida Men covers the types of stories that inspired the “Florida Man” meme: unconventional,

unbelievable, and uncouth activities undertaken by residents of the Sunshine State. Co-hosts Joel Lounds and Phil Godbold provide comedic commentary on current events in a way that news professionals cannot match.

This year, Florida Men: The Podcast was nominated as a finalist in the Comedy category of the 14th Annual People's Choice Podcast Awards and were featured at the True Crime Podcast Festival in Chicago and on South Carolina Public Radio's SC Lede Podcast.
