

Get Ready to Groove to R.G.E The LABEL's Party Song for This Season 'Dyfferent Lyfe Style'

The upcoming New York singer 3Bandz is back with another track 'Dyffernt Lyfe Style' under R.G.E THE LABEL. Jive into this eclectic music piece in SoundCloud.

New York City, Dec 31, 1969 (IssueWire.com) - The year 2019 has been a great one for Rockland Grand Entertainment (R.G.E The LABEL) as it has come up with back to back hits that played well in the music arena. The label's collaboration with the [upcoming New York singer](#) cum rapper 3 Bandz has taken its brand image to a whole new level. 3 Bandz has become a celebrated artist with the

release of 'TheHoodCelebrity' and it seems fans have been longing for more new releases for a long time. The wait is however over as 3Bandz is back with another quintessential music piece titled '**Dyffernt Lyfe Style**' that is now available for streaming on SoundCloud.

3 Bandz with his every new single piece proves that he is beyond any average up and coming artists. His USP is his ability to produce bass bumping frequencies and lively memories. Altogether that delivers his sense of confidence. The mission of this artist is to connect with his fans and offer them an ultimate music experience like never before.

Coming to his new single '[Dyffernt Lyfe Style](#)', in this track 3bandz has teamed up with another great artist named Uncle Bandana and both of these artists have created a bang. The track has two segments- in the first part you'll experience the rhythmic rapping style of the rap genius 3 Bandz and in the second segment, Uncle Bandana will hook listeners with his excellent singing style. Above all, the USP of this track is its lyrics that are thoughtfully written and delivers a strong message. **R.G.E THE LABEL** is working on many other projects that will soon be available for streaming on SoundCloud and other major music platforms. Visit its official website to know about their upcoming projects and events. Also, follow their [Instagram](#), [Facebook](#) and don't forget to subscribe to their [YouTube](#) channel.
