Omid Moayed, MD, MBA, FASA, an Anesthesiologist with Adventist HealthCare Shady Grove Medical Center & Adventist HealthCare White Oak Medical Center

New York City, Oct 9, 2019 (Issuewire.com**)** - Dr. Moayed is a board-certified anesthesiologist who is currently affiliated with Adventist HealthCare, a faith-based, not-for-profit organization whose mission is "to extend God's care through the ministry of physical, mental and spiritual healing" throughout the Washington, D.C. region. Founded in 1907, Adventist HealthCare is the first, largest and only health system headquartered in Montgomery County, Maryland. It operates two nationally accredited acute-care hospitals, a nationally accredited rehabilitation hospital, mental health services, home health

agencies, physician networks, urgent care centers, and imaging centers.

In connection with Adventist HealthCare, Dr. Moayed can be found on staff at Adventist HealthCare Shady Grove Medical Center and Adventist HealthCare White Oak Medical Center. Adventist HealthCare Shady Grove Medical Center is a 266-licensed bed acute care facility located in Rockville, Maryland. Adventist HealthCare White Oak Medical Center is a hospital with 180 private patient rooms and serves patients in Montgomery, Prince George's, and surrounding counties in Silver Spring, Maryland.

His career in medicine began when he earned his medical degree from American University of the Caribbean School of Medicine in Coral Gable, Florida in 1995. Upon graduation, he went on to complete his internship at Michael Reese Hospital, followed by his residency in anesthesiology at the University of Illinois Medical Center at Chicago. Thereafter, he completed his fellowship in critical care at Massachusetts General Hospital in Boston.

In addition to being a Fellow of the American Society of Anesthesiologists, Dr. Moayed is board certified in both anesthesiology and critical care medicine by the American Board of Anesthesiology (ABA). As the certifying body for anesthesiologists since 1938, the mission of the ABA is to advance the highest standards of the practice of anesthesiology.

Anesthesiology is the medical specialty concerned with the total perioperative care of patients before, during, and after surgery. It encompasses anesthesia, intensive care medicine, critical emergency medicine, and pain medicine. Anesthesiologists, like Dr. Moayed, have the primary responsibility of monitoring the patient's vital signs during surgery.
