

## Harrison H. Lee, MD, DMD, FACS, a Plastic Surgeon in Private Practice

Get to know Plastic Surgeon Dr. Harrison H. Lee, who serves patients in California and New York.

New York City, Oct 7, 2019 ([Issuewire.com](http://Issuewire.com)) - Dr. Lee is a best in class bi-coastal plastic surgeon

with practices in California and New York. He performs a complete range of plastic surgery procedures for both men and women, he works with a team of highly qualified and experienced medical and professional staff to make certain that each patient receives the finest care possible.

With a focus on facial plastic and cosmetic surgery, he focuses on pre-operative education, intra-operative technique, and post-operative comfort. Essential to this idea is the treatment of the patient as an individual, tailoring care to the patient's specific needs.

Before opening his private plastic surgery practices, Dr. Lee spent nearly 18 years pursuing medical and surgical training, with a focus on the human face. In addition to studying head and neck surgery, and facial plastic and reconstructive surgery, he holds a Bachelor of Science degree and a Doctor of Medicine in Dentistry degree from Tufts University in Boston, Massachusetts. In 1992, he earned his Medical Degree from New York Medical College.

His impressive background also includes a triple board certification by the American Board of Facial Plastic & Reconstructive Surgery and the American Board of Otolaryngology-Head and Neck Surgery. As a result of this varied and extensive training, Dr. Lee has helped thousands of patients with unique and often difficult facial surgical procedures, such as bone contouring and silicone removal.

In order to remain up to date in his field, Dr. Lee maintains a membership with numerous professional organizations, including the American Academy of Otolaryngology – Head & Neck Surgery, the American Association of Oral & Maxillofacial Surgeons, the American Academy of Cosmetic Surgery, the Royal Society of Medicine, the American Society of Cosmetic Breast Surgery, the American Academy of Facial Plastic & Reconstructive Surgery, the American Society of Liposuction Surgery, and the American Institute of Plastic Surgeons. He also maintains fellowship with the American College of Surgeons, the American Association of Oral & Maxillofacial Surgeons, the American Academy of Otolaryngology – Head & Neck Surgery, and the American Academy of Cosmetic Surgery. Furthermore, he is an Overseas Fellow of the Royal Society of Medicine and an Associate Fellow of the American Society of Cosmetic Breast Surgery.

Plastic surgery is a surgical specialty involving the restoration, reconstruction, or alteration of the face and body. Using a delicate balance of science and art, Dr. Lee customizes every surgery to meet a patient's personal needs and aesthetic goals. His patients not only trust his professional judgement and extensive experience, but they feel cared for as individuals.

“The key to achieving a great plastic surgery result is by listening to my patient's concerns, careful planning, and meticulous surgery. From pre-surgery planning to final recovery, I will always provide you with the most open and honest information to serve your best interests. I strive to make your journey in achieving your desired goals as easy as possible. We will never make you feel pressured into making decisions, but will guide you to making the best choices, ultimately achieving the best possible outcomes” as stated by Dr. Lee.
