

Mantra Labs Joins Fintech Global's InsurTech100 2019 List

The company receives recognition for being a pioneer in transforming global insurance industry through innovative products and solutions that solves real-world challenges.

Bengaluru, Oct 23, 2019 (IssueWire.com) - [Mantra Labs](http://MantraLabs.com) announced today that it has been recognized by Fintech Global in its InsurTech100 2019 list. InsurTech100 recognizes the 100 most innovative insurance solution providers in the world curated by industry stalwarts.

FinTech Global is a specialist research firm offering the most comprehensive data, valuable insights, and powerful analytical tools to the global FinTech industry. The finalists were selected by a panel of analysts and industry experts from an exhaustive list of over 1,000 companies. The standout businesses are recognized for their innovative use of technology to solve a significant industry problem, generate cost savings, or improve efficiency across the insurance value chain.

Mantra Labs offers three core products for solving the most pressing challenges faced by InsurTechs around — claims processing, workflow management, process automation, onboarding, leads maximization, customer experience & engagement.

[FlowMagic](#) is a visual AI platform for insurer workflows. With FlowMagic, insurers can create, customize and monitor workflows. It is built to scale across the insurance value chain. It comprises of AI-powered applications which can be strung together to execute any workflow.

[Lead Conversion Accelerator](#) is an AI-enabled tool that allows insurers to maximize capture from the sales funnel for AI-driven lead allocation, prioritization, and conversion.

[Multilingual AI-Powered Chatbot](#) allows insurers to fulfill routine service tasks via Natural Language Processing (NLP) and Machine Learning (ML) models trained on insurance-specific parlance.

“Mantra Labs is leading InsurTech innovations through its deep advisory and consulting approach to understand ‘actual’ user and consumer problems,” says Mikhail Mitra, Co-founder & Chief Product Officer, Mantra Labs. “We’re proud to be recognized as a pioneer in transforming the global insurance industry.”
