New York City, Nov 7, 2019 (IssueWire.com) - Dr. Economou is an ophthalmologist serving Tulsa and the surrounding communities. He currently practices with his private practice, Tulsa Glaucoma Specialists a practice that understands a patient's needs, will diagnose their current disease state and manage their individualized treatment, with the highest level of care. Tulsa Glaucoma Specialists accepts over 100 insurance plans and is oriented to assist you in all your eye care needs. His mission is to provide the highest level of care while halting disease progression and preserving your vision.

Additionally, Dr. Economou is a glaucoma specialist. He currently serves as an Associate Professor at the Osteopath Medical School and is active in the eye care community, both local and abroad. He will provide you with the highest level of care, diagnostic testing, lasers, and surgery if needed. He is able to assist you with primary care treatments, diabetic sugar testing, hypertension monitoring and diagnosis, cardiac medication cross-reference screening, as well as screenings for psychological care, management, and depression.

In regards to his education, Dr. Economou earned his Doctor of Osteopathic at North Eastern State University. He went on to complete an ophthalmology and glaucoma fellowship in Texas and a residency with the Albany Medical Center in New York. He is board certified by the American Board of Ophthalmology.

His patients have excellent experiences with him, one stating, "Dear Dr. Economou, thank you so very much for seeing us. You are truly a remarkable man with a God given talent for Glaucoma and the eyes. Thank you thank you thank you. We are so appreciative and truly believe the prescription you changed for my husband is the answer we've been looking for. Almost lost faith in the glaucoma profession until we stumbled across you. You've regenerated our faith in physicians and are a God sent. Your medical director is an incredible lady and as good as they get. We are very grateful she intercepted my phone call and cared enough to get us this weekend. It's not every day you see that type of compassion. May God bless you. You've earned our trust and faith, we will certainly be driving up from Texas for our glaucoma exams and treatment."

Ophthalmology is a branch of medicine and surgery which deals with the diagnosis and treatment of eye disorders. As an ophthalmologist, Dr. Economou can diagnose and treat diseases, perform eye operations and prescribe glasses and contacts.

With over two decades of experience in the field, Dr. Economou has treated thousands of patients.
