Columbia, Nov 1, 2019 (Issuewire.com) - Author Kathleen Varn Releases New Historical Women's Fiction Novel - Gardenia Duty

Author Kathleen Varn is pleased to announce the release of her new historical women's fiction novel, Gardenia Duty.

In 1957 jobs are scarce in rural Ashland, Alabama. Bobby Higgins is facing life decisions; his family's farm struggles and threat of the draft hangs over 18-year-old males as the Cold War rumbles in the distance. Bobby heads off to boot camp, vowing to provide for his family from his pay. Between shore and sea duty, Bobby leaves broken hearts in every port.

When his own heart is stolen by Rose, he's shocked to learn that she comes with four daughters, a package deal he's unsure he wants. But when Rose disappears, Bobby finds her and persuades her to marry him. Somehow they navigate their way through the trials of marriage and parenting as he fulfills his patriotic career and his promise to raise four willful daughters.

In the spring of 2004, his daughters are brought together by grief. They forge new bonds, sharing their joys, losses, regrets, and ultimately family secrets that will seal all their fates...if they can summon the courage to report for duty.

Gardenia Duty is available for purchase in print and ebook formats.
