

Dan Whitaker & The Shinebenders's New Song 'Far, Far Away' Is A Country Jive With Glorious Musical Elements

The shuffling twists and harmonic extensions in Dan Whitaker & The Shinebenders' 'Far, Far Away' is a cultural glory of some of the best country music reprisals.

Chicago, Dec 31, 1969 (Issuewire.com) - The cultural clarity of country music with the raw and unadulterated essence of instrumental grip and vocal outburst in **Dan Whitaker & The Shinebenders'** soundscape is a hybrid mix of contemporary embedded with the classical strains of honky-tonk. Their newly released song '**Far, Far Away**' from their fourth album by the same name is

both a ballad and a groove stripped down to the essentials of the Tennessee country scope. Led by singer and songwriter Dan Whitaker, the band with its ensemble of instrumental and vocal backing has made [‘Far, Far Away’](#) a stand-out track in all its glory.

Hailing from Chicago, **Dan Whitaker & The Shinebenders** is an assortment between the creative wisdom of Tommy Smokes on acoustic guitar and vocals, Earl Powers on bass, and Eric Niffenegger on drums along with Dan leading the way to create history. Beautiful coordination that has been going steady since the early days of 2004, their songs ‘Thousand Miles Away’, ‘Real Country Man’, ‘Cole’s Boogie’, and ‘Worth Your Time’ are just to name a few that have brought together stories into their expressive musical linearity. There is both variation and similarity in their songs, an identifying characteristic that renders the band as one of the most versatile in the spectrum of country music.

Dan Whitaker & The Shinebenders are a musical resurgence who has been accomplishing their goals with extensive touring, leading to mass audience engagement. With a plentiful of singular tracks and albums to their name, they are virtuosos of country music through their creative interpretations of the genre and its regarded classifications.
