New Delhi, Nov 22, 2019 (IssueWire.com) - International Society for Hair Restoration Surgery, USA, elected Dr Kapil Dua as Treasurer for the new term. The announcement came at General Body Meeting of ISHRS's World Congress being held in Bangkok, Thailand (13th to 17th November).

Dr Kapil Dua, who earlier became the only doctor from India to be on the Board of Governors, was elected based on his contribution to the cause of making hair transplant more ethical & result oriented.

The ISHRS is an international, non-profit medical society comprised of over 1,000 members representing 70 countries - dedicated to promulgating the highest standards of medical practice and

medical ethics in the field of Hair Restoration especially Hair Transplant.

Dr Kapil Dua on the occasion vowed that he would do his best to contribute to the field and especially to the ISHRS initiative – ‘Fight-the-Fight’, wherein the international society had declared war on unethical practices, unlicensed physicians and establish international standards in India as well.

IN BRIEF

Dr KAPIL ELECTED TREASURER AT INT'L SOCIETY FOR HAIR

Ludhiana: The International Society for Hair Restoration Surgery (ISHRS), US, elected Dr Kapil Dua as treasurer for the new term. The announcement came at a general body meeting of the ISHRS World Congress, held at Bangkok, Thailand, from November 13 to 17. Dr Kapil Dua, who earlier became the only doctor from India to be on the Board of Governors, was elected based on his contribution to the cause of making hair transplant more ethical and result oriented. The ISHRS is an international, non-profit medical society with over 1,000 members representing 70 countries, and dedicated to promulgating the highest standards of medical practice and medical ethics in the field of hair restoration, especially hair transplant.
