

## Felix Hospital gets the first Gold certificate in Uttar Pradesh under AB-PMJAY for healthcare quality

Felix hospital is one of the empanelled healthcare institutions among 18,097 hospitals on board with Ayushman Bharat- Pradhan Mantri Jan Arogya Yojana (AB-PMJAY).

**Noida, Nov 16, 2019 ([Issuewire.com](http://Issuewire.com))** - In a first in Uttar Pradesh (UP), Felix [hospital](#), Sec-137 Noida, has been rewarded by the government with 'gold certificate' for bringing in quality culture in providing healthcare services to the patients under the Ayushman Bharat Pradhan Mantri Jan Arogya Yojana (AB-[PMJAY](#)).

Dr. D K Gupta, Chairman Felix hospital said “This is a very proud moment for us. This certification is special to us. We have worked really hard to get here and the next step is to maintain this standard”

There were more than 680 parameters set by the government to be accredited under PMJAY for gold, silver and bronze category. This list of guidelines included infrastructure, human resource requirements, appropriate space for the ambulance in hospital for patient movement, proper lighting facility inside and outside the hospital, medical instruments and equipment, their maintenance, firefighting equipment and basic amenities like safe drinking water, hygiene, canteen, suitable toilets for men and women.

Dr. Gupta also said “Felix hospital will always provide better and improved facilities to its patients’ day by day with an aim to focus on quality healthcare at an affordable cost.
