Website: <https://www.godrejlahari.gen.in/>

Bengaluru, Nov 18, 2019 ([Issuewire.com](http://www.Issuewire.com)) - [Godrej Lahari](http://www.godrejlahari.gen.in/) is a New Launch Apartment Developed by reputed real estate builder, Godrej properties Ltd. coming soon in the electronic city at South Bangalore region. This Venture offering 1, 2 and 3 BHK Flats. This sophisticated creation by Godrej Properties is lounged across a huge expanse of land surrounded by refreshing greenery all around. This project promises to offer its residents a fresh and soothing start to every day with greenery all around. This pre-launch project is RERA approved.

Electronic City is placed around 18 kms from Bangalore central via the Hosur Road. The town was established by Karnataka Electronics (Keonics), a pioneer in information technology infrastructure development. The locality is sprawl over 332 acres (1.3 km) and is one of the biggest Electronic Industrial Parks of India. The region was developed in three different phases i.e. Phase I, II and III and is surrounded by Mico Layout, HSR Layout, Kammanahalli, Bommanahalli and Bilekahalli. Electronics City is home to some of the Indias largest IT/ITES conglomerates like Wipro, Tech Mahindra, Hewlett-Packard, Infosys, HCL Technologies, Patni Computer Systems, CGI, Siemens, Genpact, Intel and Tata Consultancy Services.
