

Health and Wellness College Tour 2020

Health and Wellness Tour 2020 - HWT2020 SPONSORSHIP PACKAGE

Greetings

The Health and Wellness College Tour 2020 (HWT2020) is currently reviewing dates and locations for the tour.

This tour will bring education and empowerment to everyone who participates. We're putting together a collaboration of learning organizations, community members, corporate leaders, phenomenal speakers, and highly desirable resources, to provide an opportunity for students, athletes, faculty, administrators and businesses to come together and positively impact the health, nutrition, athletic readiness and financial success of our future leaders.

We look forward to your participation. Please provide your contact information and two possible dates to bring the tour to your campus.

Regards,

HWT2020

District of Columbia, Nov 25, 2019 (Issuewire.com) - Health and Wellness College Tour 2020 which will be referred to as HWT2020, is designed to positively alter the attitudes of student-athletes and professional athletes regarding their on and off-field behaviors while emphasizing the importance of demonstrating good moral character, professionalism on all levels and the choices they make concerning health, nutrition, physical/mental fitness, and finances.

HWT2020's vision is to inspire communities, to empower themselves by becoming a focal point of inspiration, direction, support, and credible consultation for current and future athletes, who desire to compete on a professional level.

Attendees of the HWT2020's will leave with a solid plan for better health, wellness, financial stability, athletic ambition, and fundraising ideas to lead them into the future. While diseases such as diabetes, cancer, heart issues, and stroke are on the rise, awareness and education are at an all-time low in the Urban Community.

Colleges and nonprofits are searching for solutions to break the cycle of financial struggles; HWT2020 will provide new ideas with scalable, successful, strategies for fundraising. It is well documented that many colleges and nonprofits do not have the infrastructure for fundraising. Attend the HWT2020 Tour to learn what can be done to break the cycle and end the struggle for finding funds.

Many in our Communities do not understand how money works. Financial Education and Fundraising Literacy are not well understood. Banks offer less than 1% interest on savings accounts, yet gladly offer consumer credit cards at 19% and loans at up to 30%.

The Health and Wellness Tour is coming in 2020 to Colleges all across the nation. The Health and Wellness Tour is depending on your participation to make it successful. Please visit www.HWT2020.com to request a brochure, submit your information and have an HWT2020 Representative will contact you!

You will be invited to the meeting of your choice via face-to-face, online or on a conference call. HWT2020 will discuss the pertinent details on how HWT2020 will positively impact your life and the lives of the people you care about. HWT2020 brings exposure, education, empowerment, and awareness to vital areas of concern on the issues of health, nutrition, financial literacy, fundraising and preparation for athletics. These topics are on the tongues of the young men and women in all cities and communities and the Health and Wellness Tour's collaborative effort can impact them in powerful and positive ways.

Preparing Students for Their Future and Present Lives

HWT2020 is designed to primarily allow the attendees of student athletes and professional athletes regarding their on and off-field behaviors while emphasizing the importance of demonstrating good moral character, professionalism on all levels and the values they receive concerning health, nutrition, physical mental fitness and finances.

Our Vision:
To inspire tomorrow's, to empower tomorrow's by becoming a focal point of inspiration, education, support and enable consultation for current and future athletes, who decide to compete on a professional level.

While athletes such as athletes, coaches, team leaders and others are on the rise, awareness and education is an absolute in the Urban Community.

- Issues:**
- Heart disease is the leading cause of death in
 - Urban communities.
 - There is a shortage of healthcare due to poor access to care.
 - Younger and younger populations are being affected.

Attendees will come away from HWT2020 with a solid plan for better health, wellness, financial stability, athletic ambition and fundraising ideas to lead them into the future.

Health and Wellness College Tour 2020
Tomorrow's Leaders
learning the importance of healthy lifestyles, athletic preparation and planning for a successful financial future
