

# Reincarnation and the Purpose of Life

Multiple lives and the lessons behind each

# THE LIVES OF LOUIS LINVILLE

Kevin M. Treanor

**Miami, Nov 22, 2019 ([IssueWire.com](http://IssueWire.com))** - Kevin M. Treanor's [\*The Lives of Louis Linville\*](#) is a captivating read about living multiple lives. It is an interesting book on reincarnation and discovering one's purpose in life.

In this book, Louis Linville, the protagonist, is living the life: a great job, a beautiful partner. He figures in a car accident and wakes up to meet his Watcher, who has been with him through the different lives he has lived. Louis never knew he had reincarnated, but his Watcher brought him back to each of the lives he led: as Percival Strongwood, as Sister Sebastian, and as James Malverne.

Kevin shows his prowess in writing as he weaves impactful experiences in each of Louis's past lives. Kevin gives valuable lessons on life and its purpose, with each life Louis has lived.

*The Lives of Louis Linville* is a compelling book about the interconnectedness of life and how we may touch someone in the course of our existence. It is an amazing book on reincarnation.

Kevin Treanor is much like a celebrated painter as he worked on a blank canvass and painted such wonderful characters and such opportune times that when he was done, everything seems to have come to life.

Treanor's work will be exhibited at the Miami Book Fair Street Fair weekend, to be held at Miami Dade College (Wolfson Campus) in downtown Miami this coming November 22-24 at the Authors Press booth. To get the latest update on authors, like and follow Authors Press on Facebook and Twitter.
