Verses to enrich the spirit with kindness and unity

Rhythm of My Soul

A Book of Poems

Author

Tapati Bhaumik

Pittsburg, Nov 22, 2019 (IssueWire.com) - The language of the soul touches anyone beyond races and nations. It could bring people from different lands and different doctrines together. This is a dream that Tapati Bhaumik had always wanted to achieve. And perhaps her book, [*Rhythm of My Soul: A Book of Poems*](#) is taking her dream a step closer to her reach.

This book is a reflection of the author's philosophy. As the author believes that everyone in this whole planet belongs to one family, her words emphasize that albeit the different ways, culture, practices and traditions, people need to nourish each other's souls. Tapati's words are speaking out from her own soul, in exquisite words and lovely rhythms of poetry.

Tapati Bhaumik was born in a small town in India. She has always been a poetry lover since she was young. She enjoys reading and reciting various styles of poetry. Quite a number of her poems have been published by certain magazines. But this passion for poetry didn't hinder her to expand her education. Thus, she earned a Master's Degree in Physics as well as in Computer Science.

Tapati's work will be exhibited at the Miami Book Fair Street Fair weekend, to be held at Miami Dade College (Wolfson Campus) in downtown Miami this coming November 22-24 at the Authors Press booth. To get the latest update on authors, like and follow Authors Press on Facebook and Twitter.
