

Stephanie K. Harding, DDS a Dentist with Long Hollow Dental

Get to know Dentist Dr. Stephanie K. Harding, who serves patients in Goodlettsville, Tennessee.

New York City, Nov 12, 2019 (IssueWire.com) - Expert dentist, Dr. Stephanie K. Harding currently practices with Long Hollow Dental. At Long Hollow Dental, they take pride in their ability to restore and enhance the natural beauty of your smile using only the most conservative, yet technologically advanced procedures. They want each of their patients to have beautiful, long-lasting and comfortable smiles.

Their practice offers a wide variety of special dental treatments, including procedures like same-day Cerec crowns, short term adult orthodontics, Invisalign, nitrous oxide sedation, and professional teeth whitening. They offer a full range of services that help complete the beautiful smile makeover you've always wanted. Apart from standard general and cosmetic treatments, they also assist with dental emergencies.

Dr. Harding grew up in Goodlettsville and graduated from Goodpasture Christian School in 1999. She then attended Lipscomb University where she obtained a Bachelor's of Science Degree graduating magna cum laude in 2003. Dr. Harding then attended the University of Tennessee College of Dentistry and graduated with honors in 2008.

Since her graduation, Dr. Harding has worked as a general dentist in the Nashville area before returning to her hometown of Goodlettsville. During that time she has honed her clinical skills and taken many hours of continuing education on everything from CAD/CAM Cerec technology to Invisalign short term orthodontics.

To stay up to date in her field, Dr. Harding is a member of the American Dental Association, the Tennessee Dental Association, and the Nashville Dental Society. She has been honored to be voted one of Nashville's Top Dentists for the past four consecutive years by Nashville Lifestyles Magazine.

When Dr. Harding is not working, she can be found singing and traveling with the Christian a cappella group, Durant. She frequently travels abroad singing and also doing dental missions. She is also an active member at Northfield Church in Hendersonville and sings on the church's praise team.

Dr. Harding says her favorite part of being a dentist is helping others to smile again! "Teeth are important, but bringing back someone's authentic smile is what it's all about!"

General dentists provide a wide array of services that are vital to patients' continued health. These services include: preventive services, including helping to maintain good oral health by stopping disease before it takes hold in the mouth; restorative services, such as receiving timely and appropriate treatment when a problem is identified; as well as cosmetic services, including performing a range of cosmetic procedures, such as teeth whitening, cosmetic bonding, and even porcelain veneers. General dentists also address overall health concerns as oral health is seen as the mirror of general health. In fact, some dental problems may reflect issues in other parts of the body and vice versa.
