

The Dark Mystery Shrouding Brennan Hall

Unveiling deadly family secrets

THE FINAL TURN

Beverly A. Urban

Pittsburg, Nov 21, 2019 (IssueWire.com) - Beverly A. Urban's [The Final Turn](#) is a thrilling novel of a majestic southern mansion and the secrets it holds. It is a well-written story filled with suspense and mystery.

In this book, Beverly lets us meet Jami, the heiress of Brennan Hall, a grand, formidable structure. Such luck Jami had to be given this privilege. However, it left a bitter taste in her mouth as she still feels the loss of both her parents to a horseback riding accident and the mysterious disappearance of her aunt and uncle. Engaged to be married within 2 months, Jami moves into Brennan hall with plans of starting her married life within its four walls. Touring around the house, Jami is pleased by its splendor, and starts to thank her lucky stars until, slowly, everything starts to unfold and the truth rears its ugly head.

The Final Turn will have you on the edge of your seat. Once you start reading it, you won't want to put it down. Each chapter will have you waiting with bated breath for the final turn.

"LOVED this book! Loved the main character, the beautifully described setting, the plot... everything! A real page-turner, could not wait to find out... but yet did not want it to end. LOVE the author," says an Amazon Customer.
