

## The Renowned Producer Chris Burke Has Poured Love over the Notes of the Track 'I Found You'

Experience the magic of love through the beats of EDM, in the track 'I Found You'. The impeccable production of the radio edit by Chris Burke will entrance you.

**Gilberdyke, Dec 31, 1969 ([IssueWire.com](http://IssueWire.com))** - Equipped with groundbreaking production skills, the well-known artist **Chris Burke** is here with his latest track to make people fall in love with his artistry. Fans have been waiting for so long and finally, he dropped his single named '[I Found You](#)'. The original as well as the radio edit version of the track has hit the top of the music charts. In

collaboration with AWAL, the artist has gifted this genre of music to some of the most memorable tracks of all time. Not only EDM, but the artist also specializes in the production of pop, rock, and country music.

His impeccable skills of production are inspired by famous artists like Avicii, Martin Garrix and Calvin Harris. He has also collaborated with experienced session vocalists and delivered some catchy and radio-friendly anthems for the fans. Not only he produces his tracks but also involved in mixing the tracks. **Bruke**'s track 'Same Thing' was placed on the weekly radio show Club Life. The creative artist is ready with as many as twelve singles to drop off at the last quarter of the year on the music streaming platform Spotify.

'**I Found You**' is certainly one of the most appreciated tracks of **Chris**. The feeling of love generated through the beautiful lyrics and vocal performance of lead vocalist has the strength to bind the listeners within its musicality. The beats flow around the perfectly arranged bars and the riffs light up the entire ambiance. The overwhelming moments are just perfect for you to enjoy a romantic evening with your loved one.
