

Van Kim Vo, DDS, a General Dentist in Private Practice

Get to know General Dentist Dr. Van Kim Vo, who serves patients in Fresno, California.

New York City, Nov 7, 2019 (Issuewire.com) - Dr. Vo is an established dentist who has been providing excellent care to the citizens of Fresno, California for many years. Working within her own private practice, she has dedicated her life to delivering quality dental services to patients of all ages. Armed with experience and knowledge, she offers comprehensive and timely results, working with her team to help treat each patient effectively.

After earning her Doctor of Dental Surgery degree from the University of Medicine and Dentistry in Saigon, Vietnam in 1971, Dr. Vo relocated to the United States. There, she completed additional training at the University of California, Los Angeles.

To stay up to date in her field, she remains a professional member of the Fresno Madera Foundation, an organization providing funding for community oral health initiatives and continuing professional education.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. General dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.

When considering her success as a medical professional, Dr. Vo feels that her experience, knowledge, and the care she has for her patients have played a key role in helping her build a thriving career. She treats her patients with honesty and respect, which allows her to develop sustainable relationships with them.

When she is not working, she enjoys meditating and traveling. She is also an advocate of veganism.
