

## A Dragon's Flight Towards Self-assurance

"You can do anything if you only believe."

**Pittsburg, Dec 13, 2019** ([IssueWire.com](http://IssueWire.com)) - [Dugan the Laughing Dragon](#) by author Chris Bender is centered on Dugan, a ferocious-looking dragon but has a soft heart and booming laughter. Dugan's uncontrollable laughter, however, stops him from breathing fire like any other dragon. His own parents thought he was cursed, therefore they disowned him. The other animals in the forest where he lives get away from Dugan and his unusual problem of laughing too much. The only friend he has is an old, wise owl named Ott. But one day, Dugan happens to meet new friends who helped him overcome his

problem by believing in him and his will to believe in himself.

*Dugan the Laughing Dragon* is a children's book that teaches its readers to believe in others and one's self when nobody does. Aside from the essential moral lessons it teaches, the book is also filled with appealing illustrations that use vibrant colors.

Chris lives near Baton Rouge, Louisiana. She has retired from working and is doing what she loves – writing, reading, and traveling. She has three children and eight wonderful grandchildren.
