

## G. JeanB Announces his Debut Single, “You Can’t Love Me”

Caribbean artist and songwriter blends hip hop, R&B & dancehall in new song

**Houston, Dec 20, 2019 ([IssueWire.com](http://IssueWire.com))** - G. JeanB has released his debut single, “You Can’t Love Me.” The song is a creative blend of trap rap, R&B, and dancehall that captures the essence of JeanB’s artistic persona. “You Can’t Love Me” (distributed by Rutenote) is the first record from his upcoming EP titled “Love Someone” which is scheduled for release in the first quarter of 2020.

Produced by G. JeanB, mixed by BCHILLMIX and recorded at GDC Studio in Santo Domingo, the

Dominican Republic, the Caribbean vibe of “You Can’t Love Me” resonates throughout connecting the listener with non-stop rhythm. An early description highlights JeanB’s lyrics pointing out, “he simply drives right into the heart of the matter with an unforgettable chorus “do you love me, you can't love me.”

“You Can’t Love Me” is now available on Spotify. To listen visit <https://buff.ly/2YNVEQx>

Drawing inspiration from artists such as Wyclef Jean (Fugees), Drake, Mary J. Blige, Katy Perry, 2Pac, DMX, and Sean Paul along with several others, G. JeanB aims to connect with his audience through his life experiences and had this message for fans, *“I love creating new things, so let’s be more creative and authentic, be unique and positive. Don’t let anyone drag you down! Be you, be beautiful.”*

## **About G. JeanB**

Born in South Haiti, Jeremie, "The Poet's Town" and raised in Port-au-Prince, Haiti, and Santo Domingo, Dominican Republic, G. JeanB builds his songs one line at a time sharing a story of experience or connecting with the listener through the deep thoughts that resonate within his spirit.
