

Idoneus to Acquire Luxury Beachfront Estate on the Island of Bali, Indonesia

“The Premier Digital Currency for Luxury Assets” Adds Trophy Estate in Southeast Asia

Miami, Dec 13, 2019 (Issuewire.com) - Idoneus Holdings Limited announced today it has signed a contract to acquire a **luxury beachfront estate in Bali**, Indonesia. The estate is now available for rent to members of the Idoneus Ecosystem with select dates available in the Spring of 2020. This place is a true representation of **Living the #IDONLIFE!**

The villa is by far the largest and most impressive private residence in the northern section of the island. It has a number of features and advantages that should be emphasized. The estate is situated on just over 3 acres of land with **unparalleled views of the Bali Sea**, as well as features views of the Kalianget River which runs through the property as well as the northern foothills and mountains. The main residence is comprised of 1,000 square meters (11,000 square feet) and has four bedrooms. There is also a 130 square meter (1,400 square foot) two-bedroom bungalow on the property. The estate has a tennis court and a golf driving range, which represents an unusual combination of attractions for any villa.

*“Idoneus is extremely pleased to add such a trophy estate to our portfolio, which will significantly benefit our token holders and the entire **Idoneus Ecosystem** in general. This luxury residence will serve as a solid foundational piece as we expand our presence in the region, as we have projections to acquire \$25M to \$40M in luxury properties in Southeast Asia in 2020.”* Says Tim O’Leary, Vice President, Portfolio Development for Idoneus Holdings Limited.

The property has its own marina and one of **the largest infinity pools of all private villas in Bali** at 20mx9m. The villa has two Jacuzzis: one next to the pool and another in the en-suite bathroom of the master bedroom. The estate boasts three gazebos, one of which is specially equipped for massages. The main house has a Bose sound system with speakers throughout the house and in the gardens. Finally, as one would expect, the property features a **helipad** which provides a further VIP experience for guests who desire private air transport from the airport. The **staff at the villa is full-time** and comprises of a chef, two maids, three gardeners, two security guards, a chauffeur, and a manager who speaks English and is university educated. The manager can help you organize whatever sightseeing trips or activities guests might desire. For more information about this luxury estate and how you can experience it, please contact Idoneus directly via email at info@idoneus.io for further information.

About Idoneus.

[Idoneus](#) is “The Premier Digital Currency for Luxury Assets”. Based in the famed “crypto valley” of Zug, Switzerland, Idoneus was created by **leading industry professionals** representing over a century of combined experience in international luxury asset trading, international banking & wealth management, strategic planning, as well as the newly emerging sectors of fintech, blockchain, tokenization, and cryptocurrency. We are transitioning an entire global industry that has been established decades ago to the blockchain, as technology advancements now allow asset exchanges of all kinds (fiat, tokens and physical assets) to be facilitated much more **swiftly, transparently and securely**. Idoneus is leading the luxury asset trading space with the strategic addition of a cryptocurrency token being added to the proven model of barter.

“Assets” include, but are not limited to **signature residences, fine art, private aircraft, yachts, precious gemstones & metals, luxury vehicles, fine jewelry and much more.**

Idoneus uniquely benefits our strategic partners who are providers of luxury goods, services and experiences, luxury asset owners, as well as holders of IDON Tokens. Idoneus assists its strategic partners by expanding their client base of luxury consumers, thereby allowing them to sell more. Idoneus enables luxury asset owners to divest under-utilized holdings in exchange for IDON digital trading tokens, which is poised to experience increased utility, growing adoption, and no holding costs. Holders of IDON Tokens can acquire and experience luxury assets, goods, and services at a favorable value basis. Idoneus connects its strategic partners, asset owners, and token holders on one integrated blockchain-based ecosystem.
