

Janadhar India has deployed its cadre for Delhi Assembly Elections

Janadhar India, an experienced election management company has deployed its team of political analysts in Delhi to help candidate and political parties to manage assembly elections in 2020

New Delhi, Dec 16, 2019 (Issuewire.com) - Janadhar India has deployed its team of best political analysts to read the pulse of voters in Delhi. The team has surveyed more than 10 percent of voters population in each assembly constituency and got insights like a performance of current government and MLA, ground issues, caste equation, influencers and more.

“At Janadhar India, we always believe that the major challenge is to design campaign after analysing voters pulse, ground issues and their media consumption. We help politicians in reaching out to all voters so that the voter gets the right communication. We have already started working for more than 10 MLA aspirants in Delhi. We have a great team of political consultant and campaign managers to help MLA candidates by designing their campaign that not only win voters but also help them to get ahead in the queue of the party ticket. We are sure that our current study and insights will help political parties, and candidates fighting upcoming elections to plan their campaign in a right direction.” **said Manish Jha, Founder and Political Analyst at Janadhar India.**

The voter pulse study is done by 100 cadres (Janadhar India volunteers) at booth level covering key influencers, voters and key stakeholders from all segment of respective assembly constituency. The analysis has all key parameters like the party’s performance, sitting candidate’s performance, competition analysis, voter’s pulse, major issues, incumbency factors, social media presence and many more.
