

Modular Construction Market is Booming

Reinventing Practices for faster, leaner and higher quality construction through cutting edge innovations.

2ND ANNUAL MODULAR, PREFAB AND CONSTRUCTION TECH SENATE

REINVENTING PRACTICES FOR FASTER, LEANER AND HIGHER QUALITY CONSTRUCTION THROUGH CUTTING-EDGE INNOVATIONS

5TH - 6TH MAY 2020 | CONVENE, 101 PARK AVENUE, NEW YORK, USA

New York City, Dec 16, 2019 (IssueWire.com) - The modular construction market is projected to grow at a compound annual growth rate of 6.9% from \$112.4 billion today to \$157 billion by 2023. About 3% of construction in America is modular and factory-built, but it is projected to reach 10% over the next 5 years due to the rise in demand for complex structures at affordable rates, rapid urbanization, and industrialization.

Trueventus will be hosting the **Modular, Prefab and Construction Tech Senate at New York, the United States** alongside **Mixed-use Development – East Coast Edition Summit** on the **5th and 6th May 2020** in comprehensive 3 stream sessions, which includes timely keynote presentations and uncovers case-studies by renowned experts across the region.

Topics such as these and more will be covered:-

- Addressing the causes of the productivity gap in the global construction industry and introducing the right tools and strategies to overcome it.
- Exploring innovations to improve processes and workflow to drive efficiency, safety and sustainability of your modular and prefab projects.
- Delving into the cutting-edge ideas, processes and systems being developed in the construction industry across single-trade, multi-trade and modular manufacturing processes.
- Exploring the latest in construction technology - from drones and laser scanning, to robotics and AR, to IoT and automation - and how you can leverage them in your business.

During this intensive 2-day conference, delegates and speakers will connect with global trendsetters in the industry.

Look forward to the upcoming Modular, Prefab and Construction Tech Senate at New York City, the United States on the 5th to 6th May 2020.
