

## NMTG Mechtrans Techniques has achieved ISO 14001 & ISO 45001 Certification with guidance of Punyam.com

With the help of Punyam.com, NMTG Mechtrans Techniques Pvt Ltd. has been achieved ISO 14001:2015 Certification for Environmental Management System and ISO 45001:2018 Certification for Occupational, Health and Safety Management System by Tuv Nord cb.

**Ahmedabad, Dec 17, 2019 ([Issuewire.com](http://Issuewire.com))** - NMTG Mechtrans Techniques Pvt Ltd., a Manufacturer of Mechanically Power Transmitted Products: - Keyless Transmission Elements has been achieved **ISO 14001:2015 Certification** for Environmental Management System and **ISO 45001:2018 Certification** for Occupational, Health and Safety Management System and these certifications are granted by Tuv Nord Certification body, with the help of Punyam.com. The ISO 14001 and ISO 45001 Consultancy project has been taken by Punyam.com and has been successfully completed as per the requirements of ISO 14001:2015 standard and ISO 45001:2018 standard simultaneously.

During The period of **ISO 14001:2015** & **ISO 45001:2018 consultancy** for audit, Punyam's team of ISO consultants have helped them to identify risk and internal audit of implemented Environmental management system as well as Occupational, Health and Safety Management System based on the context of the organization. Punyam has helped them in all the process like providing implementation

guidance, training, documentation preparation and internal and external audit, which results in achieving this goal through Tuv Nord Certifying Body.

Panyam's key focus is on preparing standard **ISO 14001 documents** and **ISO 45001 documents** for both the upgraded systems. The project is successfully completed within the time frame with the help of key documentation like [ISO 14001 manual](#) & **ISO 45001 manual** which are prepared as per guidelines of ISO 14001:2015 and ISO 45001:2018 system, HSE procedures, work instructions, standard operating procedures(SOPs), forms, audit checklist and more.

By achieving these certifications, NMTG Mechtrans Techniques has demonstrated its commitment to the establishment and maintenance of an environmental management system and occupational health and safety management system. NMTG Mechtrans Techniques meets the requirements of ISO 14001:2015 and ISO 45001:2018 with implementation.
