Atlanta, Dec 4, 2019 (IssueWire.com) - UNITED STATES ARMY AWARDS INFORMATION TECHNOLOGY ENTERPRISE SOLUTIONS – 3 SERVICES (ITES-3S) CONTRACT. MINERVAWORKS, LLC, HAS BEEN SELECTED AS A TEAMING PARTNER TO PRIME CONTRACTOR S4 INC. THE AWARD POTENTIAL IS \$12.1 BILLION ITES-3S CONTRACT BY US ARMY

MinervaWorks, LLC has been selected by S4, Inc. as a Teaming Partner for Cloud/ Cyber Network and the Brick Network Analytics capabilities. S4 Inc., located in Bedford MA and Huntsville AL is a leading enterprise information technology and cybersecurity solutions provider has captured a prime position on the U.S. Army's Information Technology Enterprise Solutions - 3 Services (ITES-3S) Small Business contract vehicle. This indefinite-delivery/indefinite-quantity (IDIQ) contract is valued at \$12.1 billion over a nine-year period of performance.

ITES-3S is expected to serve as the primary source of information technology (IT)-related services for the US Army across the globe. The services task areas include Cybersecurity Services; Information Systems Security; Information Assurance; IT Services; Enterprise design, integration and consolidation; Network/Systems Operation and Maintenance; Telecommunications/Systems Operation and Maintenance; Business Process Reengineering; IT Supply Chain Management; and IT Education and Training.

“S4 Inc. has enjoyed the privilege of supporting the US Army for many years,” said Chandu Shah, President and CEO of S4 Inc. “We are excited to expand our work with them to include the needs of our soldiers worldwide. Further, we feel that MinervaWorks’ capabilities are a perfect fit as Teaming Partners on the ITES-3S contract.”

MinervaWorks’ CEO Roy DiBenerdini commented on the importance of this growing relationship with S4, Inc. says: “MinervaWorks is excited about being a teaming partner to this prime contracting opportunity. The S4 / MinervaWorks relationship is growing and we expect to work together on several ITES-3S opportunities”.

Additionally, MinervaWorks, Founder Rodney Bowers stated, “By teaming with S4, Inc., we are confident in providing our deep experience in cloud architecture, migration and implementation services to the ITES-3S user community. Coupled with our Brick technology, quick and accurate assessments of client platforms will enable S4 to become responsive to the changing needs of their clients.”
