

Bird Group Reinvents Airport Lounges

Brings world-class lounges to 5 airports across India

New Delhi, Jan 14, 2020 ([IssueWire.com](http://www.IssueWire.com)) - Brings world-class lounges to 5 airports across India

The Bird Group has launched five Lounges at airports in five cities viz., Trivandrum, Calicut, Pune, Dehradun, and Bhubaneswar over the past 2 years. Bird Group, which ventured into the airport lounge business a year ago, has brought the world-class experience to passengers flying out of these cities.

The lounges are preferred over others for distinguished décor and service. These offer comfortable seating, temperature-controlled environment, equipped with free Wi-Fi, recharging stations and extensive infotainment system comprising newspapers, journals, magazines, workstations with the printer. The lounges also offer a wide variety of tea, coffee, and other beverages, and take care of customers by serving hot and fresh buffet suiting all palates. Furthermore, Bird Lounge has tie-ups with major banks and offers limitless services to its esteemed customers.

Distinguished facilities that can be availed at Bird Lounge are—

- **Variety of food & Beverages options:**

- o Buffet service, comprising several cuisines to suit different palates
- o The menu is designed for customers keeping in view the time of the day
- o A wide variety of tea, coffee and other beverages, and aerated drinks
- o Bar facility (with Indian and international brands of beverages)
 - **Infotainment:**
 - o Newspapers, magazines, journals, etc.
 - o Widescreen television
 - o **Recharging stations** for laptops, mobiles, iPads and gaming consoles at most of the seating points
 - o Fully equipped facility for standalone desktop, printer, copier and scanner
 - **Seating area:** A variety of seating options including couches, barstools, work stations with high chairs etc.
