

Engrossing Composition of the Two Latest Tracks by the Artist Keyz Emmanuel's Is Breaking Records

Fascinating everyone in the music industry with his two newly-released songs is none other than the artist Keyz Emmanuel's, who has become a favourite among all.

Cincinnati, Jan 21, 2020 (Issuewire.com) - The music fraternity is going gaga over the two forthcoming tracks 'Imabong' and 'Your Man' by the artist **Keyz Emmanuel's**. The two lively tracks have attracted an enormous number of followers to the artist's fan-base. The artist is presently working towards starting his own record label under the name **Keyz Records**. Music enthusiasts

from the younger generation are developing a strong liking for his songs owing to their engaging subject matter, which revolves around Infatuation, beautiful ladies, attraction, good vibes, and love. Although he too, like many other popular artists, had an innate passion for composing music, the artist draws inspiration from the **Nigerian** record producer **Maleek Berry**, among others.

The exuberant artist has been delivering successive hits with the primary aim of making everyone merry. The feet-tapping track '**Imabong**' has been composed by **Keyz Emmanuels** in collaboration with Spyro. The song '**Your Man**' has been composed by him in association with Daiverse, Oladapo, and Soundz. The jazzy rhythms and signature drum beats that characterise **Afrobeat** find a dominant use in the two tracks. However, his compositions carry a dash of other genres as well, which makes them a popular choice among everyone. The vocalization of the lyrics has been done by him in a very enticing way, which adds to the songs' aural appeal.

Keyz Emmanuels is all set to release his new single entitled 'Fi Mi Le', which is also a love song. Subscribe to the artist's **YouTube** channel to keep a tab on his latest releases, while following the artist on **Facebook**, **Twitter** and **Instagram** for information about his upcoming events. Enjoy his forthcoming tracks anywhere on the go on **Spotify**.
