

Frederick M. Orentlich – Specialist With Exceptional Financial Skills

Fred Orentlich - A licensed insurance-financial professional for over 30 years.

Southborough, Jan 17, 2020 (IssueWire.com) - Finance and Insurance, both are subjects of complexities to many, but not for [Frederick M. Orentlich](#). With his exceptional skills and knowledge, it is safe to say he has mastered these fields. As everyone is aware, managing finances are never easy. Even a small error can result in a drastic event, which nobody wants to experience.

Same goes with insurance, it is as difficult as solving a maze, you have plenty of options, but you are unaware which your perfect fit is. Choosing the one best suited for you will reap long-term benefits, on the other hand, a wrong one can dent your earnings. Fred Orentlich is determined to help out his clients with these decisions and ensures they get the desired results.

Fred helps his clients with their retirement accounts, including fixed and index annuities, Long Term Care insurance, life insurance, and other financial services, some of which offer gains based on the stock market but without the downside risk of the market.

Experience and Achievements

An active member of prestigious Asset Protectors & Advisors Group, [Frederick Orentlich](#) works in conjunction with Beliveau Law Group, LLC., mainly focusing on Estate Planning and Elder Law. Apart from this, he is also a member of the Massachusetts Chapter of National Association of Elder Care Attorneys.

Fred has a remarkable experience of over 3 decades, where he has given his valiant efforts in every case to ensure his clients never go empty-handed. He has learned from every client and worked on refining his skills, thus becoming an expert in a rather difficult industry. As the saying goes, the older the wine, the better the taste. Fred has polished his services with every passing case and become more eminent in the next one than the previous.

Frederick Orentlich Goals for His Clients

With his proficient skills and expertise, [Fred M. Orentlich](#) aims at:

- Protecting their assets
- Maximizing the estate of his clients and retirement income (without stock market risk)
- Offering tax-free retirement plans
- Offering nursing home funding
- Offer college funding plans
- Determining the best ways of protecting family assets and income
