

Joshua Etman, DDS, a Dentist with Lone Mountain Family Dental

Get to know Dentist Dr. Joshua Etman, who serves patients in Las Vegas, Nevada.

New York City, Jan 30, 2020 (Issuewire.com) - A member of the American Academy of Implant Dentistry and the Las Vegas Dental Society, Dr. Etman is the Owner of Lone Mountain Family Dental in Las Vegas, Nevada. He provides exemplary patient care, offering services such as general, cosmetic, and family dentistry, among others.

A 2012 graduate of the New York University College of Dentistry, it was there that Dr. Etman fell in love

with dentistry and learned to value his work, as well as the patients he treated. From there, he completed his hospital residency at St. Luke's Roosevelt in Midtown Manhattan. At that program, he continued to perfect his craft while treating medically compromised patients and trauma victims.

His journey brought him to Las Vegas, where he built his reputation and gained respect and admiration from his peers. While treating patients at two highly successful dental practices in Las Vegas, Dr. Etman worked tirelessly to build upon his successes.

Attributing his success to hard work, dedication, and a 'never give up' attitude, this dentist is board-certified in Invisalign by the American Board of Orthodontics, which is a non-profit professional association for orthodontists founded in 1929. To date, he has taken Continuing Education classes in everything from root canals to implant placement in order to enhance his skillset and remain current in the ever-changing field of dentistry.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.

Outside of the office, Dr. Etman enjoys playing baseball, as well as going to the gym and the movies. His favorite professional publication is the Journal of the American Medical Association.
