**Tampa, Jan 30, 2020 ([IssueWire.com](http://IssueWire.com))** - Breakout recording artist and producer, P Tizi, is dropping a highly anticipated song on his birthday January 31, 2020 called Bag It Up.

[P Tizi](#) is an American recording artist. As with all P Tizi's released music it's self-produced. He recently released an emotional genre mixed song named [Wild Stallion](#), which is continuing to climb charts and draw discussion from P Tizi's peers in the music industry and listeners of all ages. P Tizi's new song Bag It Up is a feel good song with a theme of shopping and living in the moment.

Bag It Up has already been reported to be involved in talks with the NBA for licensing and use across all its platforms. UnitedMasters will distribute the single set for release on January 31, 2020.
