

## The Clarity of Lyrical Rock in Italo's 'I Will Not Let Go' Traverses the Course of Musical Accomplishment

Rock band Italo's new song 'I Will Not Let Go' is a lyrical flow of music and vocal timbre flowing into the captivating streams of musical and creative excellence.

Juneau, Jan 20, 2020 ([Issuewire.com](http://Issuewire.com)) - The straightforwardness and creative strength in rock band **Italo's** soundscape is gradually making its way to the top and with their new song '**I Will Not Let Go**', they are formulating musical history. It is a love story in motion with the wraps and riddles of rock

that make them stand out in excellence within the circle of their genre. From the progressions of rhythmic clarity to the lyrical relevance of thematic sagas, **Italio** has been successful in arranging a tribute to the whole sculpture of musical existence. With a vocal integration that actively participates in intensifying the essence of the song, '**I Will Not Let Go**' marks a milestone in the career of the band.

All members of the band hail from Juneau, Alaska and are based out of Yakutat, **Alaska** that has been instrumental in coining the name of the band itself. **Robert Adams**, one of the members of **Italio** has contributed his creative intellect to the song as the composer, lyricist, and co-producer. Their song also features **German singer Germaine Lefevre** and **New York-based cellist Yoed Nir** that adds profound versatility to their expansive sound stream. '**I Will Not Let Go**' was released under the production supervision of **Frog House Productions** with renowned London based composer Sefi Carmel playing the significant role as the sound mixer.

The creative accomplishments of **Italio** have already traveled far and wide with other songs like 'Fallen Angel', 'Wrong Side of Heaven', and 'To Have You Near' as they gear up for their upcoming track, 'As The Dragon Falls'.
