The Red Hat Society Announces The New Red Hat Line Dance

The New Year rings in an exciting way Red Hat Society Members are celebrating the "Power of Fun" by dancing and singing to their new official theme song "Red Hat Mamma".

Fullerton, Jan 13, 2020 (Issuewire.com**)** - The Red Hat Society® (RHS), one of the largest women's social organizations in the world, dedicated to women who are approaching 50 and beyond with chapters in all 50 states and over 30 countries, have partnered with professional singer/songwriter "Red Hat Queen" Kathy Bee. As a proud member of The Red Hat Society, Kathy Bee released and dedicated her new CD entitled "Red Hat Mamma", along with her newly choreographed Red Hat Mamma Line Dance, to all Red and Pink Hatters. Bee's purpose is to inspire and encourage women to enjoy life, friendship, fitness and fun through the power of music, singing, and dancing!

 As a 65 year-young grandmother, who began singing at the age of two, Kathy Bee does not find it strange to begin a new chapter in her musical career. When it comes to her new CD release, "Red Hat Mamma", Bee emphatically says, "It's never too late to follow your dreams. Considering that age is just a number, it's not a reason to ever retire from what you aspire to be."

Bee is also an Award-Winning singer/songwriter, recording artist & producer, whose song "Let's Go Party" (included in the "Red Hat Mamma" CD), hit the National Billboard & Cash Box Music Charts. Bee has appeared on TV shows, performed nation-wide in concerts, on the Fair Circuit and at International Drag Racing Events.

Red Hat Society CEO, Debra Granich, AKA Queen Lady Bug, who is a big-time supporter of music, dancing and staying fit...royally proclaims, "Healthy Hatters Are Happy Hatters. At the Red Hat Society, our hope is to inspire all women to join us and celebrate the "Power of Fun" through music and dance."

In August 2020, Red Hat Society Members from all over the world are gathering with their fellow Red and Pink Hatters in Palm Desert, CA, for their International Convention. At this event, they will be performing the Official Red Hat Society Theme Song and Line Dance "Red Hat Mamma".
