

## **Dennis G. Coyle, DMD, FAGD, a Dentist with Coyle Dentistry**

Get to know Dentist Dr. Dennis G. Coyle, who serves patients in Madison, New Jersey.

**New York City, Feb 12, 2020 ([IssueWire.com](https://www.issuewire.com))** - In practice since 1984, Dr. Coyle has been voted one of New Jersey's Top Dentists. He serves patients' dental needs at his private practice, Coyle Dentistry, in Madison, New Jersey. He practices alongside Dr. Stacey Traina and his daughter, Dr. Kate Coyle, offering comprehensive dental care for the entire family with a special focus on cosmetic dentistry and overall health and wellness.

Coyle Dentistry provides a wide range of general, restorative, cosmetic, and preventive services for their patients, including treatments for TMJ, sleep apnea, and bruxism. As a team, they are very attentive to their patients' needs when offering professional care that helps to improve their oral health and lifestyle. "I love listening to my patients' concerns and then planning the best course of action to accomplish their goals. From procedures in our office to appointments with specialists, I coordinate each step to make everything as stress-free for my patients as possible." as stated by Dr. Coyle.

Throughout his academic career, Dr. Coyle attended the University of Notre Dame before graduating with his Doctor of Medicine in Dentistry degree from the Fairleigh Dickinson University School of Dental Medicine in 1979. He conducted his training at the Spear Institute and the Pankey Institute for Advanced Studies.

Demonstrating his commitment to ongoing continuing education and training in the latest techniques and services, Dr. Coyle is a Fellow of the Academy of General Dentistry, as well as a member of the American Academy of Cosmetic Dentistry and the American Dental Association. He is also a preferred provider for Invisalign and a Six Month Smiles provider.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions, and perform other duties to ensure that the teeth and mouth are healthy.

On a more personal note, Dr. Coyle is married and has two daughters. Some of his hobbies include golfing, watching Notre Dame football games, traveling, and fly-fishing.
