## Philadelphia, Feb 14, 2020 ([Issuewire.com](http://Issuewire.com)) - The Philadelphia Inquirer NAMES P&Q Partners A WINNER OF THE Philadelphia TOP WORKPLACES 2020 AWARD

P&Q Partners has been awarded a Top Workplaces 2020 honor by The Philadelphia Inquirer. The list is based solely on [employee feedback](#) gathered through a third-party survey administered by employee engagement technology partner [Energage](#), LLC. The anonymous survey uniquely measures 15 drivers of engaged cultures that are critical to the success of any organization: including alignment, execution, and connection, just to name a few.

“For more than a decade, the Top Workplaces award has helped organizations stand out among their competitors to attract talent,” said Eric Rubino, CEO of Energage. “This differentiation is more important than ever in today’s tight labor market. Establishing a continuous conversation with employees so you have a deep understanding of your unique culture is proven to help achieve higher referral rates, lower employee turnover, and double the employee engagement levels. No longer is recognition simply a much-deserved cause for celebration, but it’s fast becoming mission-critical to establish a competitive advantage for recruitment and retention.”

“We’ve been here in Blue Bell since 2017 and we’re excited to keep growing and flourishing in this region. Our employee feedback means so much to us, not only were we nominated by our employees but we were also voted a Top Workplace by them. It’s such an honorable award and we hope to win every year,” said Sal Quadri, CEO of P&Q Partners.
