Monte Carlo, Feb 25, 2020 (Issuewire.com) - A Monaco based company working in the Capital Markets sector. For over 10 years The Private Investment Group has been working with investors throughout the European, Middle East, Asian and US Markets connecting them to projects in need of investment.

The main investor demographics are Sovereign Wealth Funds, Family Offices, Hedge Funds, Private Equity, U/HNWI, Venture Capital Funds and Investment Banks.

We work with companies from the Real Estate, Healthcare, Blockchain, Ai, IoT, Commodity, Energy, Fintech, Gaming and Impact Sectors.

We are delighted to announce our partnership in the Middle East with His Highness Sheikh Hamdan Bin Mohammed Al Nahyan in the United Arab Emirates.

Founder & CEO of The Private Investment Group, Alastair Lidel said "This new partnership will allow us to take our company, its ability to close rounds of capital requirements and the standard of our events in the Gulf region to new heights. Covering UAE, Saudi Arabia, Bahrain, Qatar and Oman we are able to put our clients and their projects in front of the real game-changing investors that can help them to reach their goals."

As well as helping companies close investment rounds, The Private Investment Group also have one of the best Global Investor Tours in the world. A series of Private Investor Dinners spanning the globe from Monaco, Zurich, Geneva, Dubai and Abu Dhabi we bring together 70 of the leading of investors from each location with 5 companies presenting exclusively on stage.

Alastair Lidel went on to say "In a world where industries such as Ai and Real Estate, Banking and Blockchain and a whole host of other industries are intersecting the skill and ability to put the right projects together with the right investors is somewhere where we shine beyond others. Whether you are looking to break into old European money, powerful and large middle east investment funds or UHNWI from Asia we have the ability to help."
