

Braxton-Grant Technologies, Inc. Receives Accreditation for ISO 9001:2015 Quality Management System

PRI Registrar recognizes Braxton-Grant Technologies, Inc. for its commitment to continual improvement in their management system

Hanover, Mar 20, 2020 (Issuewire.com) - **Braxton-Grant Technologies** announces that it has received accreditation for all aspects at its Hanover, MD facility including quality management, product sales as a reseller, customer support services, and professional technology and cyber security support services.

“We here at Braxton-Grant are proud that once again, working with PRI, we have received accreditation for ISO 9001:2015 in the areas of Sales, Quality Management, Professional Services, and Customer Support Services. It is a testament to the vigilance and continued focus all of us at Braxton-Grant have for process improvement in key areas that aid our ability to provide world-class products and services to our customers,” said Peter Cushley, Director of Maryland Operations for Braxton-Grant.

Braxton-Grant Technologies received accreditation for demonstrating their ongoing commitment to quality by satisfying customer requirements and industry specifications.

“**Braxton-Grant Technologies** has demonstrated its commitment to world-class quality management by implementing and becoming certified to the ISO 9001 standard. They have joined an elite number of organizations worldwide who have achieved certification to this globally recognized quality standard,” said Randy Daugharthy, Director of the Registrar Program at the Performance Review Institute Registrar. “PRI Registrar is proud to partner with **Braxton-Grant Technologies** in this accomplishment and look forward to continued support of their objective of quality excellence.”
