International Women Day- ITS OUR DAY!!

Get started shopping at our shopping platform to run up with the latest trends and Fashion. Celebrating this International Women's Day (8 March), Craftstages.com is giving attractive shopping offers to women's all over the world, giving them an additional reason to smile." says Shubhangi Agarwal, Co-Founder of Craftstages.com.

Craftstages.com has largest collection of Indian Handbags, Juttis and handicrafts available at an economical price. Craftstages.com is also one of the very few eCommerce companies in India which has taken growth in a short span of time by taking care of the satisfaction and needs of their customers. Online shoppers are also glued to Craftstages.com as they keep out participating in Exhibitions, events in India for showcasing their quality products, which is reachable for the non-online customers as well. Craftstages started in 2012, is based in Delhi and is run by Shubhangi Agarwal (Mother, Wife and CEO) with a dream of connecting Artistic Designers with customers across the world through their startup Craftstages.com Now shubhangi has been actively involved with the handicrafts industry in India for over 8 years.
