Get to know Obstetrician-Gynecologist Dr. Dudley D. Baker, who serves patients in Houston, Texas.

New York City, Mar 5, 2020 ([Issuewire.com](http://Issuewire.com)) - Dr. Baker has been delivering babies and providing

well-woman and gynecologic care in North Houston since 1991. He is a skilled and experienced obstetrician-gynecologist who enjoys the relationships he has developed with his patients over the years at Northwest Women's Center in Houston, Texas.

There, he offers care and treatment for women of all ages, including BioTE® hormone pellet therapy for men and women, obstetrics, gynecology, well-woman care, contraception, nexplanon implant, incontinence surgery, laparoscopic surgery, uterine ablation, and robotic surgery.

Northwest Women's Center is a leading obstetrics and gynecology practice, providing women of all ages with advanced care for all their health needs, from simple exams to complex treatments and ongoing management of chronic conditions. At the practice on Dotson Road, the Northwest Women's Center offers a comprehensive array of treatment options, including state-of-the-art treatment of uterine fibroids, ovarian cysts, HPV infection, endometriosis, abdominal pain and pelvic pain, incontinence, vaginal dryness and vaginal discharge, menopause, PCOS and osteoporosis, as well as complete pregnancy care, STD testing, and birth control options. As a trusted Houston-area gynecologist practice, the center provides top-ranked minimally-invasive diagnostic and treatment procedures including laparoscopic hysterectomy, colposcopy, and ultrasound services.

With a special talent for explaining complex medical issues in a simple way, Dr. Baker treats every patient the way he would want his mother, wife, or daughter to be treated. He uses a holistic approach to medicine and evaluates the many factors that might affect a woman's health and wellness. He also provides sound advice and tailors a healthcare plan to meet each patient's unique needs.

A native Texan, born in Austin, Dr. Baker earned his medical degree from the University of Texas Medical Branch at Galveston in 1987. He then went on to complete his residency in obstetrics and gynecology at the same educational venue.

In addition to being a Fellow of the American College of Obstetricians and Gynecologists, the doctor is a member of the Willard R. Cooke Ob/Gyn Society, the American Association of Gynecologic Laparoscopists, and the Texas Association of Obstetrics and Gynecologists.

Moreover, he is board-certified in obstetrics and gynecology by the American Board of Obstetrics and Gynecology, which is a non-profit organization that provides board certification for practicing obstetricians and gynecologists in the United States and Canada.

Obstetrics and Gynecology is the medical specialty that encompasses the two subspecialties of obstetrics (covering pregnancy, childbirth, and the postpartum period) and gynecology (covering the health of the female reproductive system – vagina, uterus, ovaries, and breasts). An obstetrician-gynecologist, or OB-GYN, is a healthcare professional who specializes in female reproductive health.

On a more personal note, Dr. Baker met his wife, Julie, in Galveston and they moved to Spring in 1991. His son, Duggan, and daughter, Kaeli, live and work in Houston. When he is not working, Dr. Baker enjoys spending time with his family, playing with his three dogs, hunting, fishing, watching Longhorn sports, reading, and eating good food, especially barbecue!
