Get to know Plastic Surgeon Dr. Mark F. Blake, who serves patients throughout the State of Wisconsin.

New York City, Mar 16, 2020 (Issuewire.com) - Quickly becoming one of the most respected board-certified plastic surgeons in Wisconsin. Dr. Blake specializes in face/neck lift, eyelid surgery, browlift,

rhinoplasty, laser resurfacing, fat transfer, breast augmentation, breast lift, breast reduction, male breast reduction, abdominoplasty, liposuction, and SLIM Lipo.

He is the Medical Director of Clinic of Cosmetic Surgery with offices throughout the state of Wisconsin, including Milwaukee, Franklin, and Brookfield. Now the largest provider of cosmetic surgery and medicine in the Milwaukee area, Clinic of Cosmetic Surgery boasts two fully credentialed surgery centers and four complete Medi-spas that feature aesthetic services, laser and light therapy, BOTOX, dermal fillers, and more.

Utilizing the latest FDA-approved techniques to offer patients both beautiful and natural-looking results, Dr. Blake also serves as the Medical Director of Laser Centers of Wisconsin, L'Image Skin Spa, and ReFresh Aesthetic Center. He is the Founder of the Contour Weight Loss Program, as well as holds privileges at Columbia St. Mary's Hospital – Ozaukee Campus, Columbia St. Mary's Hospital – Milwaukee Campus, and Riverwood Surgical Center.

After completing his undergraduate education at the University of Michigan and Oakland University, Dr. Blake went on to obtain his medical degree at the University of Saint Eustatius School of Medicine. He completed his residency in general surgery at North Oakland Medical Centers - Wayne State University Affiliate, followed by his residency in plastic & reconstructive surgery at Ascension Providence Hospital, Southfield Campus.

Wanting to further his training, he attained certifications in Advanced Botox® and Dermal Fillers Training, Advanced Training in Microvascular Surgery, Advanced Cardiac Life Support (ACLS), and Basic Life Support (BLS), and PADI.

An Associate Fellow of the American College of Surgeons, the doctor is board-certified in plastic surgery by the American Board of Plastic Surgery (ABPS). The mission of the ABPS is to promote safe, ethical, efficacious plastic surgery to the public by maintaining high standards for the education, examination, certification, and continuous certification of plastic surgeons as specialists and subspecialists.

Dedicated to the highest standards of patient welfare and surgical excellence, Dr. Blake remains a member of the Wisconsin Medical Society, the American Society of Plastic Surgeons, the University of Michigan Alumni Association, the University of Michigan Association of Anthropology (Associate), and the United States Golf Association.

His passion for surgery extends to the community and across the globe. He is an active participant in a collaboration with Youth Chef Academy and the Milwaukee Boys and Girls Clubs to promote healthy eating in an effort to reduce childhood obesity in Milwaukee. He also volunteers his time internationally each year in partnership with the F.A.C.E. foundation, performing cleft lip and palate surgery. Furthermore, he remains an active participant in a volunteer program called Lose the Tattoos, which is a Milwaukee tattoo-removal program that removes gang-related tattoos from "at-risk" youth in exchange for community service.

In recognition of his career accolades, Dr. Blake is the recipient of many awards such as America's Top Plastic Surgeons – Consumers Research Council of America (2013); Most Compassionate Doctor Award (2012, 2013, 2014, 2015); Patients' Choice Award (2012, 2013, 2014, 2015); Top Doctor – Castle Connolly (2014, 2015, 2016, 2017, 2018); Best Cosmetic Surgeon - Shepherd Express Best Of Milwaukee (2013, 2014, 2017, 2018); and America's Most Honored Professionals (2019), among many others.

Plastic surgery is a surgical specialty involving the restoration, reconstruction, or alteration of the human body. It can be divided into two main categories - reconstructive surgery and cosmetic surgery. A plastic surgeon's primary responsibility is performing surgical and non-surgical procedures, and they use a variety of reparative and reconstructive techniques to get the job done.

Attributing his success to genuinely caring about his patients and offering them all of the best options and latest technology available for the best outcome, Dr. Blake enjoys spending time with his family, travelling, participating in sports, and playing golf when he is not working.
